

High Voltage Measuring & Testing Technology

PD Measuring Systems

LDS-6
Digital PD Analysis System
For Laboratory & On-Site Testing

DKD accredited Calibration Laboratory
For PD Instruments

LDWD-6
Digital PD Warning Device
For Permanent or Periodical Insulation Monitoring

LDD-6
Compact Digital PD Detector
For Laboratory & On-Site Testing

C-tanδ Measuring Systems

LDV-5
DSP-Based C-tanδ System
For Laboratory & On-Site Testing

LDV-4
Dielectric Analyzer DIANA
For Laboratory Testing

High Voltage Test Systems

CDA-50
Damped Alternating Voltage Test System
For Power Cable Diagnostics & PD Mapping

LDPS-31
HV & PD Test System for
HV Testing of SF₆-Switchgear Bushings
